Sewing guidance ELIZA, SUNSET & MATILDA

For calculating the width of a flat curtain;
Examples for a curtain of a width of 240 cm when pleated:

Measuring ELIZA & MATILDA:

1:1.5 / Pleat repeat 19 cm
240 cm x fullness 1.50 = 360 cm
360 cm : Pleat repeat 19 cm = 18,95 = rounded 19
19 repeats x repeat 19 cm = 361 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 362 cm
Highness of the pleat: 80 mm (50 mm front, 30 mm backside)

1:1.8 / Pleat repeat 23 cm
240 cm x fullness 1.80 = 432 cm
432 cm : Pleat repeat 23 cm = 18,78 = rounded 19
19 repeats x repeat 23 cm = 437 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 438 cm
Highness of the pleat: 100 mm (55 mm front, 45 mm backside)

1:2.2 / Pleat repeat 33,5 cm
240 cm x fullness 2.20 = 528 cm
528 cm : Pleat repeat 33,5 cm = 15,76 = rounded 16
16 repeats x repeat 33,5 cm = 536 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 537 cm
Highness of the pleat: 150 mm (80 mm front, 70 mm backside)

Measuring SUNSET:

1:1.5 / Pleat repeat 15 cm
240 cm x fullness 1.50 = 360 cm
360 cm : Pleat repeat 15 cm = 24
24 repeats x repeat 15 cm = 360 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 361 cm
Highness of the pleat: 40 mm (25 mm front, 15 mm backside)

1:2.0 / Pleat repeat 17,5 cm
240 cm x fullness 2.00 = 480 cm
480 cm : Pleat repeat 17,5 cm = 27,42 = rounded 28
28 repeats x repeat 17,5 cm = 490 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 491 cm
Highness of the pleat: 70 mm (40 mm front, 30 mm backside)

1:2.5 / Pleat repeat 22 cm
240 cm x fullness 2.50 = 600 cm
600 cm : Pleat repeat 22 cm = 27,27 = rounded 28
28 repeats x repeat 22 cm = 616 cm (+ 1-2 cm extra)
Width of curtain incl. seams = 617 cm
Highness of the pleat: 95 mm (55 mm front, 40 mm backside)

Sewing guidance ELIZA, SUNSET & MATILDA

- Take the measurements and cut the fabric
- Choose the correct colour of the yarn for stitching
- Sew the seams

- Cut the curtain tape (cut in the middle of the woven part)
- Pull the draw cords

- Sew the curtain tape ELIZA with 2 stitch lines

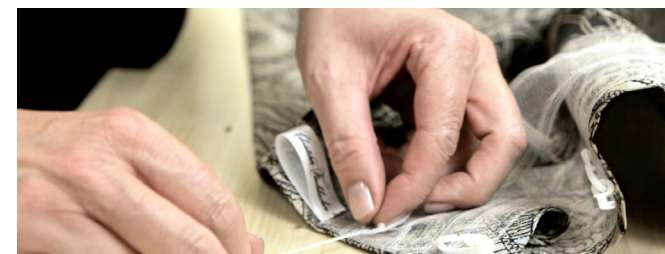

Sewing guidance ELIZA, SUNSET & MATILDA

- Fix the hooks in the pockets (Please note the right positioning)
- Pleat the curtain tape

- Knot the draw cords

- Fix the curtain into the curtain track or rail

It's important that the curtain doesn't touch the track. You can get optimized waves when using weighting-bars or curtain-weight-tape within the seam of the curtain.
