

SEWING INSTRUCTIONS CUSHION SIMONE

PILLOW WITH A DECORATIVE OVERLAY PART „SMOCK PLEAT“

Created with SIMONE 1:2.5 / Art.No.: 1041352 / 100 mm / 65 mm repeat

1. Iron the fabrics according to the instructions of the fabric supplier before cutting.
2. Carry out the cutting of the pillowcase and decorative overlay part, in accordance with your chosen dimensions of the pillow and taking into consideration the repeat and pattern of the fabrics used.

The length of the decorative part is calculated with following formula:

**Fullness ratio of the curtain tape multiplied with the width of the pillow
Add the size of the seams**

E.g. Fullness ratio of the tape: $2.5 \times \text{length of the cushion } 50 \text{ cm} + \text{size of the seams } 5 \text{ cm} (x2) = 135 \text{ cm fabric.}$

3. Assemble all the details of the pillowcase into a single cloth, pre-folding the parts with the right sides facing, without stitching the sides and bottom sections of the pillowcase.
4. Overlock the seams of the sewing parts and the sections of the pillowcase, to which the hidden zipper is sewn.
5. Sew the decorative overlay part:
 - Overlock the edges of the decorative overlay on the long sides.
 - Stitch the curtain tape on the wrong side of the decorative part in the center with one line, as shown in Figure 1.1
 - To press the seam on the wrong side of the decorative lining and topstitch them with indentation from the edge of 4-5 mm, thereby fixing them, Figure 1.2

SEWING INSTRUCTIONS CUSHION SIMONE

- After the stitching is done you pleat the curtain tape. Please pay attention to the size of your pillowcase and don't forget about the seams
- Fix the draw cords

- Center and fix the decorative overlay part on the front side of the product with the back stitch lines, as shown in Figure 2.

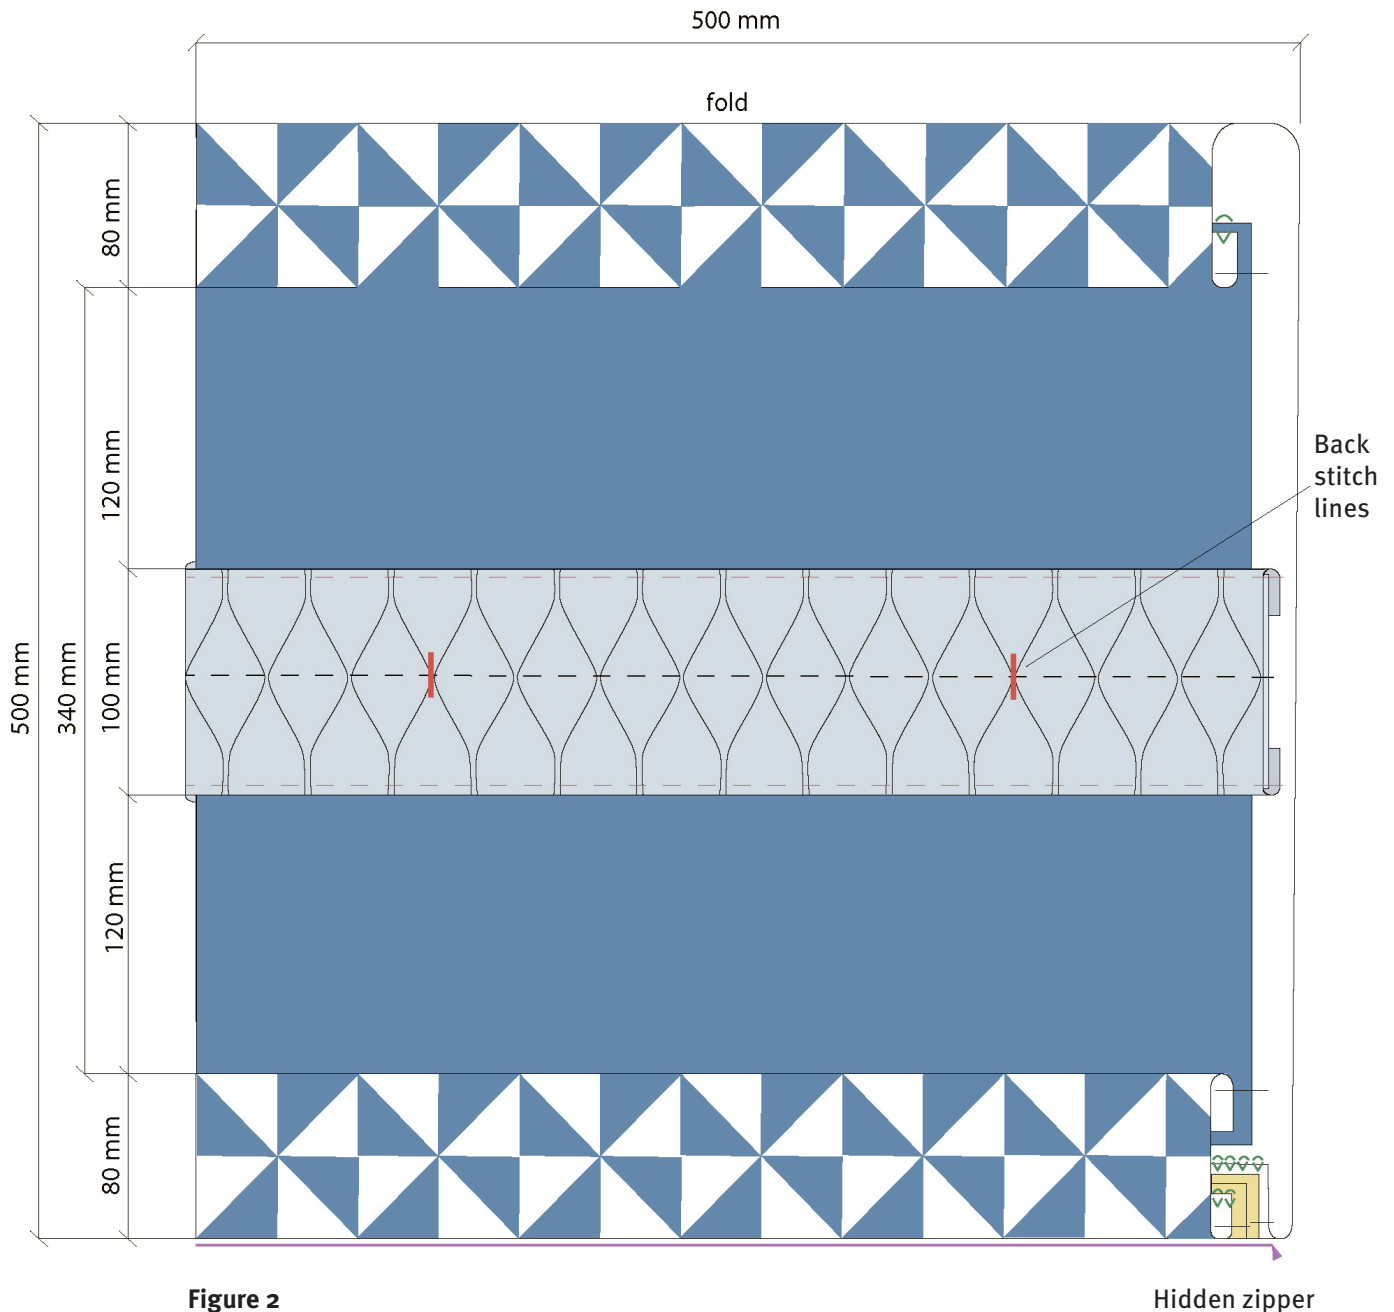

Figure 2

Hidden zipper

7. Fold the pillowcase with the front sides inside, combining the sections of the hidden zipper, checking the coincidence of the repeat with the fold of the pillowcase. Stitch and overlock the side edges of the pillow.
8. Insert and sew the hidden zipper.
9. Turn out the pillowcase, insert the cushion, fasten the hidden zipper.
