SEWING INSTRUCTION ROOM DIVIDER (NOVA HIDDEN)

SEWING GUIDE NOVA

Our tape **NOVA** doesn't only appear with perfect waves in every window, it's also an ideal solution for a room divider with hidden curtain tape!

We used 2 different fabric colors for better understanding:

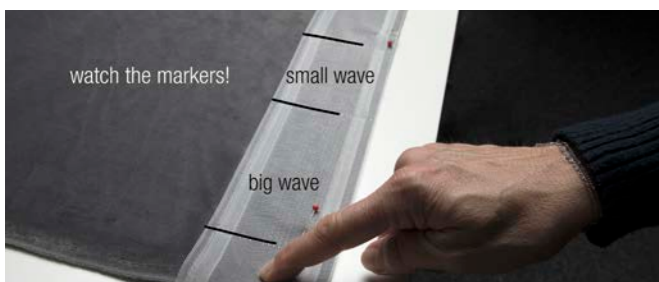

- Grey for the main curtain
- Purple to cover the tape when creating a room divider

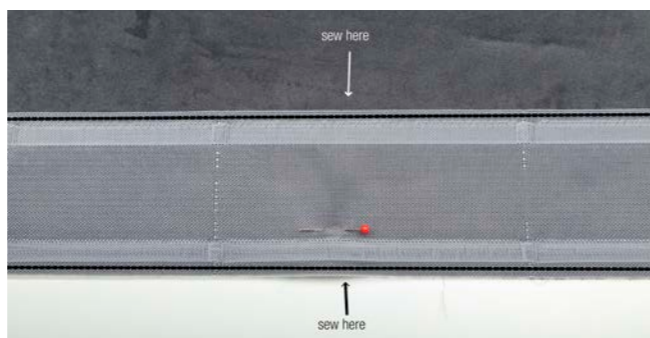

- Measure the tape and cut it (+ approx. 5 cm addition right and left)
- Pick a suitable thread
- Revert the edge and sew the seams
- (the first pocket should be placed after the first 3 - 5 cm and should also end the same way)
- Start and end with the bigger wave to create complete waves from beginning till end. Note especially the first marker in the tape!

Hint for markers:

- big marker - big wave
- small marker - small wave

SEWING GUIDE NOVA HIDDEN

SEWING GUIDE NOVA HIDDEN:

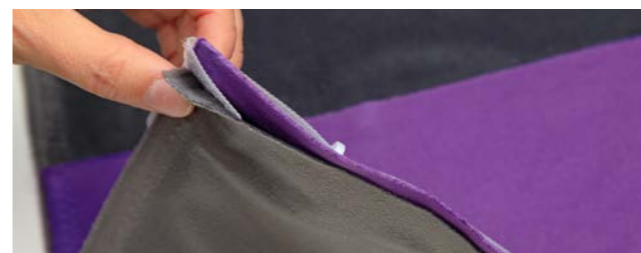

- Start as described before
- Apply a second piece of fabric. The size of the fabric should be the double width of the tape (+ 1-2 cm reserve).

SEWING GUIDE NOVA HIDDEN

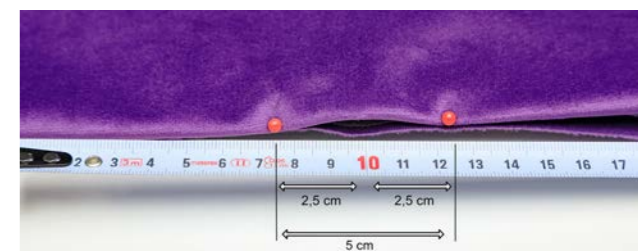

- Place the curtain tape and fix it with pins (+ approx. 5 cm addition right and left)
- Sew the tape
- Place the gliders into the pockets (*Attention: important!*)

SEWING GUIDE NOVA HIDDEN

- Tuck-in with seam

- Stitch right and left next to the gliders (leave 5 cm open)
- Use a glidercord that is suitable for your track
